# Simple Investment Plan (SIP)

For Life's Little Joys and Big Plans

The Simple Investment Plan (SIP) is an easy way to help you start a smart savings plan that can add up to big returns. With the amount you set aside every month in your SIP plan, you are investing in your future.

**Plan ahead with our SIP Plan.**

### **Simple Investment Plan (SIP) by bank muscat asset management.**

Set aside as little as 50 Rials every month to invest in local or MENA stock markets and enjoy maximum returns! A small investment every month can help you reach your goals.

The Simple Investment Plan lowers the risk by averaging the cost by investing in small amounts. To find out more visit [www.bankmuscat.com/assetmanagement](http://www.bankmuscat.com/assetmanagement)

### **SIP Advantages**

- Creates a habit of saving. Regular monthly investments add to higher amount year end.
- Small investment amount, as little as RO 50 per month.
- Start and stop any time. Zero effort with automatic debit each month.
- Flexible Date: the money is debited from your account on the 1st or the 15th of the month.
- Option of lump sum deposit – Add a lump sum amount in the same mutual fund folio anytime.
- No Redemption Fee – Subscribe or redeem any time.

bank muscat asset management, backed by bank muscat, is the largest mutual fund manager in Oman and among the top leaders in GCC with a track record of top performing funds.
